25. Hurt MA. Why health care is not a right. An individual rights perspective. Delivered to University of Health Sciences, College of Osteopathic Medicine, Kansas City, MO, February 24, 1995.
26. Hurt MA. Surface and Adnexal Tumors of the Skin. 1st Annual Midwest Dermatopathology Workshop. Chicago, IL, April 1, 1995.
27. Hurt MA. Case Presentations. 1st Annual Midwest Dermatopathology Workshop. Chicago, IL, April 1, 1995.
28. Hurt MA. Adnexal tumors of the eyelids. Delivered to Barnes Hospital Dermatology Residents, St. Louis, MO, April 27, 1995.
29. Hurt MA. Dermatopathology. General lectures (2 hours) presented to students of the Pathology Review Course, Osler Institute. Lisle, Illinois, May 9, 1995.
30. Hurt MA. Follicular and sebaceous Tumors. A conceptual organization. International Society of Dermatopathology. Sponsored by the American Society of Clinical Pathologists and the College of American Pathologists. New Orleans, LA, September 16, 1995.
31. Hurt MA. Adnexal tumors of the eyelids. Delivered to the Dermatology Residents, Washington University School of Medicine. Saint Louis, Missouri, February 20, 1997.
32. Hurt MA. Folliculitis and hidradenitis: perforated folliculitis, eosinophilic folliculitis, and neutrophilic eccrine hidradenitis. Presented at the American Society of Dermatopathology section of the United States and Canadian Academy of Pathology, Orlando, Florida, March 2, 1997.
33. Hurt MA. Folliculitis and hidradenitis: perforated folliculitis, eosinophilic folliculitis, and neutrophilic eccrine hidradenitis. Delivered to the Dermatology Residents, Washington University School of Medicine. Saint Louis, Missouri, March 6, 1997.
34. Hurt MA. Adnexal tumors. Consultations in dermatopathology. Nine-headed scope session. American Society of Dermatopathology, San Francisco, CA, March 20, 1997.
35. Hurt MA. Adnexal tumors. Consultations in dermatopathology. Video monitor session. American Society of Dermatopathology, San Francisco, CA, March 20, 1997.
36. Hurt MA. Adnexal tumors: Follicular. Video monitor seminar. Delivered to the Dermatology Residents, Washington University School of Medicine. Saint Louis, Missouri, April 3, 1997.
37. Hurt MA. Follicular and sebaceous tumors. Basic dermatopathology course. American Academy of Dermatology, Orlando, Florida, February 28, 1998.
38. Hurt MA. Mesenchymal tumors of the skin. 5th annual Midwest Dermatopathology Workshop, Northwestern University School of Medicine, Chicago, April 3, 1999.

39. Hurt MA. Case Presentations. 5th annual Midwest Dermatopathology Workshop, Northwestern University School of Medicine, Chicago, April 4, 1999.
40. Hurt MA. Case Presentations. 6th Annual Midwest Dermatopathology Workshop. Indiana University School of Medicine, Indianapolis, April 8, 2000.
41. Hurt MA. Hair and sebaceous neoplasms. Washington University School of Medicine Division of Dermatology (resident lecture), February 15, 2001
42. Hurt MA. Adnexal tumors, benign and malignant. 7th Annual Midwest Dermatopathology Workshop. Indiana University School of Medicine, Indianapolis, May 6, 2001.
43. Hurt MA. Malignant Melanoma Microstaging. 10th Iowa Anatomic Pathology Course, University of Iowa Health Care. Iowa City, IA, October 6, 2001.
44. Hurt MA. The Dysplastic Nevus: Fact or Fiction?. 10th Iowa Anatomic Pathology Course, University of Iowa Health Care. Iowa City, IA, October 6, 2001.
45. Hurt MA. Adnexal Tumors: A Brief Overview. 10th Iowa Anatomic Pathology Course, University of Iowa Health Care. Iowa City, IA, October 6, 2001.
46. Hurt MA. Malignant Melanoma Microstaging. Missouri Dermatological Society Annual Meeting. Saint Louis, MO, Nov 3, 2001.
47. Hurt MA. Dermatopathology Vignettes. Given at the Dermatopathology Update 2001, Saint Louis MO. November 17-18, 2001.
48. Hurt MA. The Dysplastic Nevus: Fact or Fiction? Dermatopathology Update 2001, Saint Louis MO, November 17, 2001.
49. Hurt MA. Problematic Adnexal Neoplasms. Presented to Residents and Faculty at Saint Louis University Department of Dermatology, Saint Louis, MO, Feb 21, 2002
50. Hurt MA. Problematic Adnexal Neoplasms. Presented to the United States and Canadian Academy of Pathology, Dermatopathology Companion Meeting, Chicago IL, Feb 24, 2002.
51. Hurt MA. Problematic Adnexal Neoplasms. Presented to the Residents at Washington University Division of Dermatology, Saint Louis MO, Feb 28, 2002
52. Hurt MA. Follicular Proliferations of the Skin. Two lectures for MD Live via the internet @ [www.mdlive.net](http://www.mdlive.net). 23 Sep 2002
53. Hurt MA. Case Presentations. American Society of Dermatopathology 39th Annual Meeting, Phoenix, AZ, 12 October 2002
54. Hurt MA. The Dysplastic Nevus: Fact or Fiction? Lecture to Residents at Saint Louis University Department of Dermatology, Saint Louis MO, May 22, 2003

55. Hurt MA. A historical perspective on the histopathology of congenital ectodermal defects, including AEC Syndrome. Presented at the Workshop on Skin Erosion and Wound Healing in Ankyloblepharon-Ectodermal Defect-Cleft Lip and/or Palate. Sponsored by the National Foundation for Ectodermal Dysplasias, Saint Louis, MO, September 18, 2003
56. Hurt MA. The Dysplastic Nevus: Fact or Fiction? Lecture to Faculty and Residents at Boston University School of Medicine, Dermatology/Dermatopathology, Boston MA, October 13, 2004.
57. Hurt MA. What is an Atypical Melanocytic Nevus? Lecture to faculty and residents at Saint Louis University Department of Dermatology, Saint Louis MO, March 17, 2005.
58. Hurt MA. What is an Atypical Melanocytic Nevus? Lecture to fellows at the Ackerman Academy of Dermatopathology, New York NY, April 25, 2005.
59. Hurt MA. The Dysplastic Nevus: Fact or Fiction? Lecture to participants of the 1st Annual New Jersey Melanoma Symposium, Jersey City NJ, October 15, 2005.
60. Hurt MA. The Dysplastic Nevus: Fact or Fiction? Lecture to participants of The John J. Kepes Annual Scientific Symposium. University of Missouri-Kansas City School of Medicine. Kansas City, MO, November 5, 2005.
61. Hurt MA. The Dysplastic Nevus: Fact or Fiction? Lecture to residents in dermatology, University of Missouri School of Medicine, Columbia, MO, June 23, 2006.
62. Hurt MA. Great cases from St. Louis. Indiana Association of Pathology, 58th Annual Spring Slide Seminar and CME Conference. Saturday, April 28, 2007, Oak Hill Mansion, 5801 E. 116th Street, Carmel, IN 46033. (in conjunction with Santa Cruz DJ)
63. Hurt MA. My most extreme case - intralymphatic histiocytosis. 11th Joint Meeting of the International Society of Dermatopathology, St. Anthony Hotel, San Antonio TX, 30 January 2008.
64. Hurt MA. Atypical & Atypia - It's not like that in textbooks. 11th Joint Meeting of the International Society of Dermatopathology, St. Anthony Hotel, San Antonio TX, 31 January 2008.
65. Hurt MA. Atypia & Atypical: not like that in textbooks. Presented to Fellows at the Ackerman Academy of Dermatopathology, New York City, NY, 11 February 2008.
66. Hurt MA. Atypia & Atypical: not like that in textbooks. Presented to the Department of Dermatology, Saint Louis University, Saint Louis MO, 26 June 2008.
67. Hurt MA. Dysplastic Nevus: Fact or Fiction? Presented to residents at the University of Missouri-Columbia, Department of Pathology, Columbia, MO, 5 Dec 2008
68. Hurt MA. Case Presentations. Presented to residents at the University of Missouri-Columbia, Department of Pathology, Columbia, MO, 5 Dec 2008

69. Hurt MA. Rights: Who Needs Them? Presented to colleagues at Dermatopathology and Beyond It III. Pavia Italy, 18 April 2009
70. Hurt MA. Atypia: Not Like That in Textbooks. Presented to dermatology residents at Barnes-Jewish Hospital, St. Louis MO, 7 May 2009
71. Hurt MA. Follicular proliferations: my cases and yours. Consultations in Dermatopathology, Course 101, American Society of Dermatopathology, Chicago IL, 1 October 2009
72. Hurt MA. Lessons from Lawsuits. Presented to colleagues at the American Society of Dermatopathology, Chicago IL, 1 October 2009
73. Hurt MA. [Selfishness at the Microscope: Your Diagnosis or Your Life.](#) Presented at: Redeeming Reform: What Health Care Reform Could Be and Ought to Be. A Briefing at the National Press Club, Washington, D.C., 10 May 2010.
